

The AJSA

# CHARITY ROUND

We're going

# PINK

Again!

It started with a 9-year-old boy wanting to donate his birthday money from his 10<sup>th</sup> birthday to charity in 2014. He chose the McGrath Foundation for Breast Cancer Nurses and for two years organized the pink sock round. We took a break last year because we had no club rooms, but now it's back!

The AJSA has again given approval for players to support the foundation by bending the rules and allowing players to wear their **PINK** socks. For one round only Albany Junior Soccer is going **PINK** for charity. All those players who have purchased **PINK** socks are encouraged to wear them when they play their matches on **29<sup>TH</sup> JULY 2017**. Stocks are limited so get in early. If you wish to wear previous years **PINK** socks we kindly ask for a gold coin donation to wear them on the day (tin's in the clubrooms).

Support the foundation by buying the socks at \$12 per pair.

Sizes: Junior 13-3 Youth 2-7 Adult 7-11

Socks will be available for purchase Saturday mornings in the clubrooms.
